

## **VETERANS PARK WRIGHT FIELDS USE AND PERMIT POLICY**

### **POLICY STATEMENT**

The purpose of this policy is to establish an orderly procedure for the reservation and use of the Veterans Park Fields for games, practices, tournaments, special events and community and resident sports activities. It is the intent of this policy to balance the increase in demand for organized uses with maintenance and field care to protect the long-term playability of the field and ensure user safety.

This initial policy statement will be in place until such a time as Chippewa Township can ascertain field use needs and develop a more extensive use and permit policy.

If no permits have been issued, the fields may be used on a first come, first served basis, unless otherwise posted or prohibited in this policy. Non-permitted users must surrender the field to designated permit holders at all times. All users and user groups, weather permitted or not, must adhere to all rules and regulations outlined in this policy and comply with all Veterans Park rules and regulations and stated conditions of use.

### **CRITERIA**
