Chairman Woodske brought the meeting to order.

VISITORS

Matt Steklachik, Dorinda Roberts, Eric Chaffee and Chris McClellan attended.

MANAGER

Township Manager Mark Taylor had the following items for discussion or action:

1. Resolution # 2026-8:
   Authorizing the Township Manager to enter into a lease/purchase agreement for the purchase of a new firetruck:

   Manager Taylor said that the leasing company requires a resolution from the Board in order for the manager to enter into a lease/purchase agreement for the acquisition of a new firetruck. The Township is putting the $650,000 down. There will be an agreement with the Fire Department and they will pay us back a $200,000 loan. It will save them 2% on a loan. There will be a meeting with the Fire Department on this.

   MR. WRIGHT MOVED TO PASS RESOLUTION # 2026-8. Mr. Bouril seconded the motion and with no further discussion the motion carried.

2. Resolution # 2026-9:
Approval to apply for the LSA Grant for the enhancement of Sahli Nature Park:

This resolution is needed by November in order to apply for a grant to work on the pond at Sahli Nature Park again. The resolution will be ready by next week.

3. Appearance at Auxiliary Appeal Board to remove Township owned properties from the tax rolls:

Manager Taylor said that he and Lauren Doyle went to a meeting with the Appeal Board. He said it went very well. He said our case was presented and things seemed positive for us.

4. 410 – 412 McClain Road Subdivision:

Manager Taylor said that this property is partially in South Beaver and partially in Chippewa Township, but Chippewa Township gets no taxes for this. Both communities need to sign off on the plan. He explained the situation with two homes located on one lot.

5. Budget:

Manager Taylor said they have started preparing the budget and he hopes to have something to present by early or mid-November. He said we won't get our assessed value until the 14th or 15th of November and at that time they can plug in those numbers and see where we stand. He said they are working through some items since it is Rod Reeder's first year working with the budget. He wants to have a good solid plan for the Township.

6. Department Reports;

A. Police:
Written report forwarded on October 13th.
No additional comments.

B. Street:
