

Chippewa Residents,

Recently the township has received numerous calls referencing fallen trees and branches, unfortunately the curbside pickup for 2018 has ended. You have two options to discard branches. You are permitted through the DEP Recycling Grant Program to burn branches that have fallen or you may obtain a compost permit \$10 and transport to our Klein Street location. Keep in mind that the last day for receiving brush is Saturday December 1. If you have any questions please feel free to contact our office 724-843-8177.
