ITEMS FOR DISCUSSION

1. **JEFF PIERCE OF OLSEN ENGINEERING** - Mr. Taylor will have a quick summary for next months minutes of what was discussed and where they are in the process of the ordinance. Jeff will actually draft some language for the Planning Commission to go over.

NEW BUSINESS

Mr. Taylor stated that he met with the architect for St. Monica Parish Church located at 116 Thorndale Drive to discuss the plans for the new facility.

Mr. Taylor said the Microtel is revising their building permit and that they now decided to stick build instead of framing and setting in pods. They said this wasn't going to save them any more time and that it would be more expensive however there is a variance they will need to obtain before this can be done. A Zoning Hearing is scheduled for early July.

With nothing further to come before the board, the meeting was adjourned.

The next meeting will be July 8, 2014
