PROJECT GIVE – A - CHRISTMAS

Chippewa Township will once again be sponsoring a Give-A-Christmas program that will help children in the Blackhawk School District have a better Christmas.

The Christmas tree in our lobby will have ornaments on it with gift ideas for each child. Please take an ornament (or two) and fill out the information sheet with your name, phone number and which ornament you took.

All gifts should be unwrapped and returned to us, we will then wrap and deliver them to the appropriate schools. Last year we were able to help over 25 children to have a little brighter holiday. Please help us this year to do the same. The ornaments should be available starting the week of October 16th, 2017. Thank you in advance for your generosity.
