CUSTOMER ASSISTANCE GUIDE BUILDING PERMIT APPLICATION SUBMITTAL REQUIREMENTS

COMMERCIAL AND MULTI-FAMILY

•	Please read all of the following information. The following is a check list. You must have a "checkmark" in all the sections listed below prior to submitting your application
	Sub-division and land development approval, if required.
	Complete Construction plans must be stamped and signed by a Pennsylvania Registered Design Professional (Architect or Engineer). Plans MUST be PDF Format, unsecured, unencrypted, and no digital signatures attached to file. ALL PLANS MUST INCLUDE Construction Type and Use Group as determined by the design professional.
	Plans AND Application must be submitted electronically by going to our website, www.mdia.us, and click on Offices, and then the "Submit Plans" icon next to Wexford Office address. Once the plans are approved, they will be returned to the design professional and/or applicant, and it will be their responsibility to make as many hard copies as needed and provide them to the BCO and the municipality so the permit can be issued. No permits will be issued, and construction shall not start until all applicable fees are paid. It is then required that a completed set of MDIA stamped and approved plans be on the jobsite and made available to the field inspector during the entire course of construction. A site plan showing the outside dimensions of the proposed structure, including distances in feet to the front, sides and rear property lines.
	Sewer permit. Workers' compensation insurance certificate or an affidavit of exemption. Location of parking spaces, accessible routes, public transportation stops and other required accessibility features. Highway access permit Penn Dot/Municipal, if required.
	Plan review/fee (permit clerk will calculate). Automatic fire sprinkler system designed in accordance with NFPA 13 where applicable.

MDIA will review plans submitted to determine code compliance. If the minimum submittal requirements are not met, we will ask the applicant to supply additional information. If the minimum requirements are met, the plans will be marked "approved". A building permit will be issued and the applicant will be notified of the inspection fees and when they can pick-up the permit at the Municipal Building. All fees shall be paid prior to the issuance of the permit. Then use the inspection procedures provided to have all of the required inspections performed.

Completed building permit application.

INSPECTION PROCEDURES COMMERCIAL AND MULTI-FAMILY CONSTRUCTION

- Building permit must be posted on the site of the work and clearly visible from the road until completion of the project.
- Your approved plans must be available at all times for inspection. These are the plans that were submitted with your application and were marked "Approved" by the building code official.
- DO NOT schedule an inspection if the work is not ready!!!!
- When scheduling an inspection, you must supply a permit number to the inspector.

APPLICATION FOR ZONING AND BUILDING PERMIT CHIPPEWA TOWNSHIP, BEAVER COUNTY, PENNSYLVANIA PAGE TWO OF THREE

READ, UNDERSTAND AND COMPLY WITH THE FOLLOWING NOTICES

NOTICE: In addition to a construction/zoning permit, if the subject property does or will require access to a public road or street, and/or will require improvement/change of existing driveway access to a public road or street: If such public road or street is under the jurisdiction of the commonwealth of Pennsylvania, you must obtain a Highway Occupancy Permit pursuant to Act No. 428 of 1945, as amended, known as the "State Highway Law"; Application for such Highway Occupancy Permit as to a Commonwealth road or street must be made to, with and processed by the Pennsylvania Department of Transportation. If such road or street is under the jurisdiction of Chippewa township, you must apply for and obtain a Driveway Permit from the Township.

NOTICE: In addition to a construction/zoning permit, you may need to make other applications and obtain other permits for the development you propose, including but not limited to, depending on location of your premises, for an on-lot sewage permit and/or connection to a public sewer connection permit, water connection permit, and/or Land Development approval, prior to being able to commence construction. Further, following construction and prior to your placing into use the proposed structure/building, you will need to procure an Occupancy Permit.

NOTICE: Contractor prohibited by law from employing any individual to perform work pursuant to this building permit unless contractor provides proof of worker's compensation to Chippewa Township. Contractor also prohibited by law as to building or remodeling under subject Permit from engaging the services of a subcontractor unless subcontractor maintains workers' compensation insurance coverage as to subcontractor's employees. Failure of contractor and Applicant for this Permit to maintain worker's compensation insurance according to law of Commonwealth of Pennsylvania, and as to said insurance, naming Chippewa Township as a named insured, requires stoppage of all construction/work under Construction /Zoning Permit issued and a Construction/Zoning Permit may be revoked.

NOTICE: Property owner is responsible for determining if property is subject to private covenants or private plan restrictions and compliance with the restrictions. Private covenants may be more restrictive than zoning regulations. Issuance of a building or zoning permit **does not constitute compliance with private covenants or restrictions.** Permits issued in violation of any private covenants or restrictions is the sole responsibility of the property owner or their authorized representative.

STATEMENTS AND VERIFICATION BY APPLICANT

I do hereby agree to observe and adhere to any and all provisions of the Chippewa Township Zoning Code, and do further agree and understand that my failure to do so shall constitute a violation as to any Permit issued per this Application, which violation shall cause any Permit to become Null and Void, and revocable by Chippewa Township via its Zoning Officer or other designated agent.

APPLICATION FOR ZONING AND BUILDING PERMIT CHIPPEWA TOWNSHIP, BEAVER COUNTY, PENNSYLVANIA PAGE THREE OF THREE

I/We hereby certify that as applicants, owners, contractors, agents or others that I/we completed and read the foregoing Application and that the information and statements in this application and other representations contained in all accompanying plans are made a part of this application and are true and correct to the best of our knowledge and belief. This statement and verification are made subject to the penalties of 18 PA.C.S.A. Section 4904 relating to unsworn falsifications to authorities, which provides that if I/We knowingly make false statements or averments, I/We may be subject to criminal penalties. I/We hereby authorize representatives of the township to make the required inspections upon the property to verify that the construction requested under this applications complies with the Chippewa township Zoning Ordinance or other applicable codes.

If applicant is contractor or Agent of Owner, he/she hereby certifies that he/she has the authority to act on behalf of the Owner.
