MDIA will review plans submitted to determine code compliance. If the minimum submittal requirements are not met, we will ask the applicant to supply additional information. If the minimum requirements are met, the plans will be marked "approved". A building permit will be issued and the applicant will be notified of the inspection fees and when they can pick-up the permit at the Municipal Building. All fees shall be paid prior to the issuance of the permit. Then use the inspection procedures provided to have all of the required inspections performed.

INSPECTION PROCEDURES MANUFACTURED AND INDUSTRIALIZED HOUSING

- Building permit must be posted on the site of the work and clearly visible from the road until completion of the project.
- Your approved plans must be available at all times, for inspection. These are the plans that were submitted with your application and were marked "Approved" by the building code official.
- The permit applicant is responsible for scheduling all inspections. If you're using a General Contractor, then she/he should take care of scheduling all the necessary inspections.
- DO NOT schedule an inspection if the work is not ready!!!!
- When scheduling an inspection, you must supply your permit number to the inspector.

AFFIDAVIT OF EXEMPTION

The undersigned affirm that he/she is not required to provide workers compensation insurance under the provisions of Pennsylvania's Workers' Compensation Law for one of the following reasons, as indicated:

- Property owner performing own work. If property owner does hire contractor to perform any work pursuant to building permit, contractor must provide proof of workers' compensation insurance to the municipality. Homeowner assumes liability for contractor compliance with this requirement.
- Contractor has no employees. Contractor prohibited by law from employing any individual to perform work pursuant to this building permit unless contractor provides proof of insurance to the municipality.
- Religious exemption under the Workers' Compensation Law. All employees of contractor are exempt from workers' compensation insurance (attach copies of religious exemption letter for all employees).

READ, UNDERSTAND AND COMPLY WITH THE FOLLOWING NOTICES

NOTICE: In addition to a construction/zoning permit, if the subject property does or will require access to a public road or street, and/or will require improvement/change of existing driveway access to a public road or street: If such public road or street is under the jurisdiction of the commonwealth of Pennsylvania, you must obtain a Highway Occupancy Permit pursuant to Act No. 428 of 1945, as amended, known as the "State Highway Law"; Application for such Highway Occupancy Permit as to a Commonwealth road or street must be made to, with and processed by the Pennsylvania Department of Transportation. If such road or street is under the jurisdiction of Chippewa township, you must apply for and obtain a Driveway Permit from the Township.

NOTICE: In addition to a construction/zoning permit, you may need to make other applications and obtain other permits for the development you propose, including but not limited to, depending on location of your premises, for an on-lot sewage permit and/or connection to a public sewer connection permit, water connection permit, and/or Land Development approval, prior to being able to commence construction. Further, following construction and prior to your placing into use the proposed structure/building, you will need to procure an Occupancy Permit.

NOTICE: Contractor prohibited by law from employing any individual to perform work pursuant to this building permit unless contractor provides proof of worker's compensation to Chippewa Township. Contractor also prohibited by law as to building or remodeling under subject Permit from engaging the services of a subcontractor unless subcontractor maintains workers' compensation insurance coverage as to subcontractor's employees. Failure of contractor and Applicant for this Permit to maintain worker's compensation insurance according to law of Commonwealth of Pennsylvania, and as to said insurance, naming Chippewa Township as a named insured, requires stoppage of all construction/work under Construction /Zoning Permit issued and a Construction/Zoning Permit may be revoked.

NOTICE: Property owner is responsible for determining if property is subject to private covenants or private plan restrictions and compliance with the restrictions. Private covenants may be more restrictive than zoning regulations. Issuance of a building or zoning permit **does not constitute compliance with private covenants or restrictions.** Permits issued in violation of any private covenants or restrictions is the sole responsibility of the property owner or their authorized representative.

STATEMENTS AND VERIFICATION BY APPLICANT

I do hereby agree to observe and adhere to any and all provisions of the Chippewa Township Zoning Code, and do further agree and understand that my failure to do so shall constitute a violation as to any Permit issued per this Application, which violation shall cause any Permit to become Null and Void, and revocable by Chippewa Township via its Zoning Officer or other designated agent.

APPLICATION FOR ZONING AND BUILDING PERMIT CHIPPEWA TOWNSHIP, BEAVER COUNTY, PENNSYLVANIA PAGE THREE OF THREE

I/We hereby certify that as applicants, owners, contractors, agents or others that I/we completed and read the foregoing Application and that the information and statements in this application and other representations contained in all accompanying plans are made a part of this application and are true and correct to the best of our knowledge and belief. This statement and verification are made subject to the penalties of 18 PA.C.S.A. Section 4904 relating to unsworn falsifications to authorities, which provides that if I/We knowingly make false statements or averments, I/We may be subject to criminal penalties. I/We hereby authorize representatives of the township to make the required inspections upon the property to verify that the construction requested under this applications complies with the Chippewa township Zoning Ordinance or other applicable codes.

If applicant is contractor or Agent of Owner, he/she hereby certifies that he/she has the authority to act on behalf of the Owner.
