All of our events above are our Community Staples. We host 4 large scale events annually that bring in upwards of 1,000 people. We open these events to anyone who would like to attend, Chippewa Township Resident or not. Most, if not all, features at these events are FREE to the public and we encourage family fun at each one, so there is something for all ages to enjoy.

All four of these events take place at Wright Fields at Veteran's Park - having outgrown the original location of Chippewa Park. We solicit feedback after every event and we have been fortunate that people are gracious for the events and appreciative of the township and donors who support them.

If you are interested in sponsoring any of the above events, please contact Lauren. We are open to discussions if you are interested in sponsoring at a different level than what is listed.

Other Ways to Get Involved

Be A Vendor

We offer plenty of opportunities at a variety of our events throughout the year and would love to see your business or organization set up a booth. Non-Profits are not charged to set up, and Businesses are charged a minimal fee of \$30/booth. Vendor opportunities are available during Community Day, Fall Festival and our Christmas in Chippewa event.

Naming Rights & Facility Sponsorships

In addition to all our events and activities hosted throughout the year, we have a number of facilities and amenities that are available for naming rights. If you are interested in putting an individual or business name on anything from a scoreboard to a picnic shelter, playground equipment, or a walking trail, I'd love to speak with you! We also have smaller scale amenities available, including benches and picnic tables. Community members can purchase these in memory of someone, or on behalf of a business or organization.

Get In Touch

If you are interested in any of the above, or if you have any new or crazy ideas of your own you'd like to implement, let's talk!
