CHIPPEWA TOWNSHIP PARKS & RECREATION

---

# About Us

Chippewa Township Parks & Recreation Department hosts events and activities that create, build, and inspire community building. Our events are made possible with the involvement of dedicated individuals and corporate community members whose sponsorship ensures that our traditions stay alive and thriving. Support our community through sponsorship and cement your place in the lives of our workers, residents, and greater community who love Chippewa Township!

## What We Do

Our Director of Parks & Recreation and our Recreation Board work together on a slate of seasonal activities for all ages, from toddlers to senior citizens. Our events and activities for the community range from summer camp programs, seasonal and holiday events, to concerts, movies, and retired citizen events.

We had a full and fun Cadet Camp experience in 2025 and are looking forward to hosting again in 2026! Our 24 campers were able to work with our Police Officers, learn about the job of a police officer, hear from others in public service, and have a great time while doing it!

## SWIMMING CAMP

We had a great Summer Swim Camp in Partnership with the Blackhawk High School Swim coaches, and we are excited to offer summer swim camp again in 2026!

## MIDDLE SCHOOL ON THE MOVE

We've been looking at ways to get our middle schoolers involved in camps, especially as they age out of traditional playground camps with us! This summer we are introducing Middle School on the Move camps. Camps will be offered as day camps throughout the summer visiting various places within a 1-2 hour radius. Think of these camps as School Field Trips - but focused on the fun!

# Thank you for considering...

---

I am proud to work at Chippewa Township and love what we are able to do for the community. Working with our recreation board, we put a lot of time and effort in to providing fun, free events to the community as much as possible. Our passion for what we do and giving back to the community we love is what makes all our programs successful. We are consistently evaluating what works and what doesn't, adjusting our programs where needed to fit the needs and wants of our community members. All of our programs are open to not only Chippewa Township residents, but residents from neighboring communities, counties, and states. We love working with a variety of businesses and individuals who are as invested in community building as we are.

Thank you, and we look forward to working with you,

Lauren Doyle
