He said that all through the ordinance the word "civil" is used. It would have to be changed many places. He said that his idea about having one ordinance to cover this was the same idea suggested by the solicitor. Both the ordinance and the section could be referenced when someone is cited. There was some discussion on this matter. Manager Taylor said that he can still handle these problems internally, meet with people to give them time to solve the problem, etc. The solicitor will draft this ordinance and it will be ready for the May meeting. It will have to be advertised.

2. DCED Greenways, Trails and Recreation Grant:

Manager Taylor said this was already discussed, voted on, and approved at last week's Agenda Meeting.
