MANAGER'S MISCELLANEOUS ITEMS

Manager Taylor said that since this was a Combined Supervisors' Meeting, and no separate Agenda Meeting was held this month, department heads may wish to update the Supervisors on their department activities at this time.

A. Sanitary:

Ken Meverden said that he would like to discuss three items with the Supervisors following the meeting.

B. Street:

Foreman Eric Chaffee said that he provided the Supervisors with a written report of Street Department activities.

C. Recreation:

Lauren Doyle said that she provided the Supervisors with a list of events coming up during the remainder of 2022 and she asked them to look over the list. She said that Community Day went well with approximately 2500 people attending, and added that the summer camp events have been going well. They will continue once a month throughout the fall.

D. Code Enforcement:

Supervisor Woodske made some comments about the grass being cut on Park Road.

E. Police:

Chief Hermick said that the Corporal promotion selection process is moving forward. The oral interviews and resume' scoring evaluations will be next, on the 21st. He will ask for approval next month. He would like to set up a meeting to discuss numbers with the Supervisors and the possibility of hiring a full-time officer, as we will be losing two of the part-time officers to other communities. Manager Taylor said that the contract will have to be amended. A date to meet will be set.

F. Finance:
