CUSTOMER ASSISTANCE GUIDE BUILDING PERMIT APPLICATION SUBMITTAL REQUIREMENTS

<u>DETACHED STRUCTURES (1000 SQ FT OR MORE)</u> ACCESSORY TO DETACHED ONE FAMILY DWELLING

(Shed - Detached Garage - Pavilions - Etc)

| • | Please read all of the following information. | | | | |
|---|---|--|--|--|--|
| • | The following is a check list. You must have a "checkmark" in all the sections listed below prior to submitting your application. | | | | |
| | "Affidavit of Exemption" (See attached form) If you are hiring a contractor to construct your structure, and they have workers' compensation, have the contractor or their insurance carrier provide us with a "Certificate of Insurance" showing proof of such. If the homeowner or a contractor without workers' compensation is constructing the structure, the attached form must be completed and notarized. | | | | |
| | A site plan showing the proposed detached accessory structure, the outside dimensions of the structure, the distances in feet, to the front, sides, and rear property lines. | | | | |
| | Two (2) sets of construction drawings that show in detail code compliance for all of the work proposed, to include but not limited to the following information; | | | | |
| | Footing detail including depth below frost line. Type of foundation. Roof rafter size (2x6, 2x8, 2x10, etc). Rafter spacing (16" on center, 24" on center, etc). Thickness and type of roof sheathing. Ceiling joist size and spacing. Floor joist size and spacing. Wall sections showing top, bottom plates and headers. Location and size of all beams, girder/headers. Sizes of all doors. Plumbing Plans if applicable. Mechanical Plans if applicable. Electrical Plans if applicable. Wall bracing detail (material, length and fastening). | | | | |
| | Completed building permit application. | | | | |

MDIA will review plans submitted to determine code compliance. If the minimum submittal requirements are not met, we will ask the applicant to supply additional information. If the minimum requirements are met, the plans will be marked "approved". A building permit will be issued and the applicant will be notified of the inspection fees and when they can pick-up the permit at the Municipal Building. All fees shall be paid prior to the issuance of the permit. Then use the inspection procedures provided to have all of the required inspections performed.

INSPECTION PROCEDURES DETACHED ACCESSORY STRUCTURES

- Building permit must be posted on the site of the work and clearly visible from the road until
 completion of the project.
- Your approved plans must be available at all times for inspections. These are the plans that
 were submitted with your application and were marked "Approved" by the Building Code
 Official.
- The permit applicant or authorized agent is responsible for scheduling all inspections.
- To schedule an inspection call the inspector listed below.
- DO NOT schedule an inspection if the work is not ready!!!!
- When scheduling an inspection, you must supply your permit number to the inspector.

What do we do?

We are the "Call before you dig!" company for all of Pennsylvania if you plan to disturb the earth with powered equipments you are required by Pennsylvania law to notify the underground utility companies of your intent to do so. Notification occurs by calling 8-4-1 or 1-800/242-1776, 24 hours of the day, every day of the year. Notification can also be done on our website at www.papneceti.079.

We will then notify the utility companies nearby of your intent to dig. The utility companies are responsible to mark where their underground lines are located with colored legs, paint or dhalk.

Please Note:

- PA One Call does not mark willly lines
- In source deseas, the outling consigency may not mark the searches three your owner.
- Hyper teste voor sawer despression on the sawer despression on the sawer despression on the sawer despression of the sawe

Why should you call?

Safe digging is no accident If you are installing a fence or dock, or digging for a malbox post, patio or other excavation project, it is important to Know What's Below. Dial 8-1-1 or 1-800-242-1778 before you dig. The utility companies do not want an accident, either. The best way to learn where underground utility lines are located is to call before you dig.

For more information visit www.pa811.org

Homeowner Quick Tips

- One casy phone call to 8-1-1 (hize to ten business days before digging begins helps keep your neighborhood safe.
- Call on Monday or Tuesday if you plan to dig on Saturday or Sunday.
- The utility companies will mark where their underground lines are located with colored paint, flags or chalk.
- Do not remove the flags if you see them in your yard.
- Our service is no cost to homoowners.
- Did you hire someone to install your lence, deck or new patio?
 Ask to see the PA One Call serial number before allowing them to dig on your property.

The Excavator's Responsibility

- Dial 8-1-1 or 1-800-242-1776.
- Do not allow anyone to excavate on your property without calling.
 Always leek for the markings on the ground before your dig date.
- If you do not see markings, do not allow anyone to dig. Wait for the lines to be marked by the utility.
- Whoever places the call will receive an email or fax with a list of facility owners who have marked or have not marked.

 Pay attention to this message.
- Respect the markings by not removing flags of disturbing the actual markings
- Exercise care around the marked lines by hand digging.
- When the project is complete, the exception should remove the flags or manks from the ground or povement.

APPLICATION FOR ZONING AND BUILDING PERMIT CHIPPEWA TOWNSHIP, BEAVER COUNTY, PENNSYLVANIA PAGE TWO OF THREE

READ, UNDERSTAND AND COMPLY WITH THE FOLLOWING NOTICES

NOTICE: In addition to a construction/zoning permit, if the subject property does or will require access to a public road or street, and/or will require improvement/change of existing driveway access to a public road or street: If such public road or street is under the jurisdiction of the commonwealth of Pennsylvania, you must obtain a Highway Occupancy Permit pursuant to Act No. 428 of 1945, as amended, known as the "State Highway Law"; Application for such Highway Occupancy Permit as to a Commonwealth road or street must be made to, with and processed by the Pennsylvania Department of Transportation. If such road or street is under the jurisdiction of Chippewa township, you must apply for and obtain a Driveway Permit from the Township.

NOTICE: In addition to a construction/zoning permit, you may need to make other applications and obtain other permits for the development you propose, including but not limited to, depending on location of your premises, for an on-lot sewage permit and/or connection to a public sewer connection permit, water connection permit, and/or Land Development approval, prior to being able to commence construction. Further, following construction and prior to your placing into use the proposed structure/building, you will need to procure an Occupancy Permit.

NOTICE: Contractor prohibited by law from employing any individual to perform work pursuant to this building permit unless contractor provides proof of worker's compensation to Chippewa Township. Contractor also prohibited by law as to building or remodeling under subject Permit from engaging the services of a subcontractor unless subcontractor maintains workers' compensation insurance coverage as to subcontractor's employees. Failure of contractor and Applicant for this Permit to maintain worker's compensation insurance according to law of Commonwealth of Pennsylvania, and as to said insurance, naming Chippewa Township as a named insured, requires stoppage of all construction/work under Construction /Zoning Permit issued and a Construction/Zoning Permit may be revoked.

NOTICE: Property owner is responsible for determining if property is subject to private covenants or private plan restrictions and compliance with the restrictions. Private covenants may be more restrictive than zoning regulations. Issuance of a building or zoning permit **does not constitute compliance with private covenants or restrictions.** Permits issued in violation of any private covenants or restrictions is the sole responsibility of the property owner or their authorized representative.

STATEMENTS AND VERIFICATION BY APPLICANT

I do hereby agree to observe and adhere to any and all provisions of the Chippewa Township Zoning Code, and do further agree and understand that my failure to do so shall constitute a violation as to any Permit issued per this Application, which violation shall cause any Permit to become Null and Void, and revocable by Chippewa Township via its Zoning Officer or other designated agent.

APPLICATION FOR ZONING AND BUILDING PERMIT CHIPPEWA TOWNSHIP, BEAVER COUNTY, PENNSYLVANIA PAGE THREE OF THREE

I/We hereby certify that as applicants, owners, contractors, agents or others that I/we completed and read the foregoing Application and that the information and statements in this application and other representations contained in all accompanying plans are made a part of this application and are true and correct to the best of our knowledge and belief. This statement and verification are made subject to the penalties of 18 PA.C.S.A. Section 4904 relating to unsworn falsifications to authorities, which provides that if I/We knowingly make false statements or averments, I/We may be subject to criminal penalties. I/We hereby authorize representatives of the township to make the required inspections upon the property to verify that the construction requested under this applications complies with the Chippewa township Zoning Ordinance or other applicable codes.

If applicant is contractor or Agent of Owner, he/she hereby certifies that he/she has the authority to act on behalf of the Owner.
